Bridge2HE Project in a nutshell

- To ensure smooth transition between Horizon 2020 and Horizon Europe
- *Enables a degree of continuity to the current NCP structures and network coordination and makes a real integration of the NCP networks offer under a common [Horizon Europe NCP Portal](#)*
- *20 training activities; tools and services for NCPs and applicants; 6 big brokerage events; 2 full proposal checks events; 2 NCPs Workshops for the continuous improvement of the NCP system and a number of special activities to push the low participant countries*
