

Personnel costs in Horizon Europe

MAY 25TH 2022

Training short description:

This event offers information and practical contents and advice, provided by L&F NCPs, as well as a questions and answers session about the personnel costs in Horizon Europe projects.

This special NCP session will provide:

- guidance/tips for personnel costs preparation;
- basic information on the personnel costs reporting for standard cases;
- a focus on the project costs reporting for project-based remuneration.

Each presentation will be followed by a Q&A session.

Participants:

All NCPs, newly appointed to experienced.

The meeting will be held virtually, through Teams.

Trainers:

The French Legal and Financial NCPs team, from the Ministry of High Education, Research & Innovation (MESRI)

Czech L&F NCP, from the Technology Centre of the Czech Academy of Sciences (TC CAS).
