## A TRANSITION FROM H2020 TO HE FOR NCPs

- Please make sure that your microphone is muted during the webinar.
- Please do not activate your camera as it may use too much capacities.
- The presentation material will be made available after the event.

# BRIDGE2HE - WHAT IS IT ABOUT?

Bridge2HE is the follow-up project to the NCP Academy and is intended as a bridge project to ensure the transfer of NCP project networks from Horizon 2020 to HE.

Targets:

- ❑ Maintain continuity with current NCP structures and network coordination.
- ❑ Integration of NCP networks under a common HE NCP portal
