Privacy Policy

The workshop is conducted in line with GREENET's Privacy Policy. The collection and processing of person data¹ will be carried out by GREENET partner PRAXI Network - Foundation for Research and Technology Hellas (FORTH).

Foundation for Research and Technology – Hellas (FORTH) is compliant with all legal procedures in respect of personal data processing, as set out in the applicable national (Act 4624/2019) and European law, and the EU Regulation on the protection of natural persons with regard to the processing of personal data (EU/2016/679).

The information collected through the registration in the workshop, will be stored electronically, respecting EC's rules and regulations and will be used for the dissemination of the material that will be presented during the workshop, the follow up communication with the participants in order to evaluate the output of the workshop and for the organization of future events.

For any further information related to the privacy policy of the workshop, you can contact: **cl5@praxinetwork.gr**

¹ According to *General Data Protection Regulation* definition, “personal data” means any information relating to an identified or identifiable natural person (“data subject”); an identifiable natural person is one who can be identified, directly or indirectly, in particular by reference to an identifier such as a name, an identification number, location data, an online identifier or to one or more factors specific to the physical, physiological, genetic, mental, economic, cultural or social identity of that natural person.
