## The Global Service Facility (GSF) looks forward to engage with you in many different ways!

The Global Approach Service Facility (GSF) assists the European Commission in reinforcing international policy dialogues world-wide and identifying opportunities for increased cooperation, including the support of National Contact Points in European Union Partner Countries, supporting you with the following activities to serve your research community:

### VIRTUAL INFORMATION EVENTS

You will be informed on current funding opportunities, rules of participation and new features in the Horizon Europe Framework Programme.

### E-LEARNING

Five specifically developed e-Learning nuggets are providing you with background knowledge and tools to support your organizations with Horizon Europe activities.

### SUPPORT TO YOUR NCP EVENTS

Upon request, our experts from European NCP Network Projects will actively participate as expert trainers or speakers in your online capacity building events.

### EXCHANGE WEBINARS

In exchange webinars with NCP network projects you will learn about their support actions dedicated to international cooperation and how to be involved.

### COACHINGS

You will be invited to solve specific job-related issues either in a live online peer-to-peer discussion, or via individualized e-mail communications.

### PARTICIPATION IN NCP FLAGSHIP EVENTS

The Service Facility funds the participation of Partner Country NCPs to relevant flagship events and invites you to submit your application.

Join our global NCP [WhatsApp Community](#) to be always up to date  
and don't miss our (bi)monthly newsletter!

### IDEAL-IST BRIEFING #23

JANUARY 2024

Horizon Europe is complex. The Idealist project helps NCPs navigate their way through these complexities. The Briefings are a part of Ideal-IST Work Package 2 - Outreach, with the cooperation of many NCPs. Briefings are sent periodically to all Digital NCPs and will contain information we think relevant for you and your customers in Horizon Europe. Questions, requests or suggestions, experiences, feedback and news are always welcome - feel free to contact us at [NCPs.Channels@ec.europa.eu](mailto:NCPs.Channels@ec.europa.eu). **NOTE: We cannot guarantee that this information is 100% accurate. We receive information from reliable sources, we take good notes, but you never know.**
